Sponsorship Packages and Exhibition Floorplan

Book your exhibition space.
irpa2026bookings@srp-uk.org

Hosted by The Society for Radiological Protection (UK)

Welcome

"This will be the biggest radiation protection event in Europe and one of the largest taking place in the world in 2026. Don't miss this opportunity to sponsor the Congress and have your logo seen by over 700 people. There are both packages and individual items that you can sponsor and I'm sure there is something for everyone to get involved with.

"I'd like to highlight to you that you don't need to exhibit in order to sponsor and you're welcome to split a package between two organisations."

"This brochure also includes the exhibition floor plan which the Organising Committee has carefully thought about. This can be found at the end of this brochure on page 14. I look forward to seeing as many organisations as possible exhibiting at this Congress."

Jim Thurston, Chair of the 7th European IRPA Congress Organising Committee and Past President of SRP

To discuss any packages or if you'd like to bring a new sponsorship idea to the Congress, please don't hesitate to contact the SRP Admin Office on the details below.
